

## Concept Car Show 29th August 2004

The club attended the Concept Car Show at Gawsworth Hall on Sunday 29th August. For a change I was the first to arrive at the arrive at the meeting point, closely followed by Tony and Gilda. James and Barbara arrived before we made our way in convoy to the venue. David and Helen where waiting outside the gates.

We were directed through the grounds to field. I did think I was driving the wrong way at first until I recognised the grassy area from Paul's picture in the Forum.

Richard and Ann and Mike joined us inside the grounds.

At the entrance we were given forms to vote form the best car on our stand and the best car of the day overall.

Richard received the best car on our stand and the overall car of the Show went to a member of the Audi TT stand.

Gawsworth Hall - photo Richard and Ann

All in all a great day, amazingly we had more cars on our stand than both the New Mini and Smart Car. More pictures can be found here in the 2004 Members' Days section of the gallery

Thanks to

David and Helen  
James and Barbara  
Tony and Gilda  
Mike (and Dibna)  
Richard and Ann  
For attending.
